ETHICAL LEADERSHIP

1. Thomas Tallis School Plan 2023 -24 has six aims.

1	A powerful curriculum
2	The best teaching and learning
3	Great achievement and progress
4	Excellent personal development
5	Behaviour for a strong community
6	A model for a better world

As part of aim 6 Thomas Tallis School has adopted the *Framework for Ethical Leadership in Education*. This means that we try to behave in a principled and correct manner in everything we do.

Schools and colleges serve children and young people and help them grow into fulfilled and valued citizens. As role models for the young, how we behave as leaders is as important as what we do. We therefore behave with **selflessness, integrity, objectivity, accountability, openness, honesty and leadership**. We demonstrate **trust, wisdom, kindness, justice, service, courage and optimism**.

1. Introduction

- 1.1. Good education gives a child the best possible start in life. Good school attendance and punctuality are crucial to student learning, happiness and safety. All children have the right to an education every day of the school year which will enable them to engage and progress. Attending school means that students can learn the powerful knowledge and habits they need to succeed.
- 1.2. This policy explains our attendance structure and how staff, parents, students, carers, and external agencies can contribute to high attendance and outstanding punctuality.
- 1.3. This policy meets Department for Education, Ofsted and Royal Borough of Greenwich guidelines.
- 1.4. We explain our absence and attendance procedures to all staff, students and families and how absence affects attainment and wellbeing.
- 1.5. We direct significant resources towards maintaining and improving our systems. Staff are trained and supported in deploying attendance systems effectively.
- 1.6. We want our attendance and absence policy and practices to be based on trust, engagement and openness, characterised by our welcoming and positive ethos.
- 1.7. We liaise openly with other agencies to support attendance.
- 1.8. Staff, students and families are expected to model respectful relationships and good communication with each other and pupils. Communication is made face to face, by telephone, email, text, or home visits, depending on the family situation.

2. Objectives

- 2.1. To improve overall attendance of Thomas Tallis students
- 2.2. To ensure excellent attendance is a priority for students, parents, staff, and governors.
- 2.3. To develop and maintain transparent systems for excellent attendance and punctuality, communicating this to all staff, students and parents so all may work together.
- 2.4. To make sure students want to attend consistently and punctually because they are seen, known and loved, protected and secure.
- 2.5. To have a successful and useful attendance management system in place to monitor attendance and intervene accurately with concerns.

3. Systems Data and Intervention

- 3.1. Thomas Tallis School has clear systems and processes to improve and reward attendance and address absence.
- 3.2. This system provides useful data at cohort, group and individual level to give an accurate view of attendance, reasons for absence and patterns amongst groups of pupils such as those eligible for free school meals, looked after children or those with special educational needs and disabilities.
- 3.3. Data reports provide different postholders with information to monitor and scrutinise attendance and intervene early to address issues. These reports include register inspections, code analysis, cohort and group monitoring, punctuality,

lesson attendance across subjects and benchmarking. They will be used by attendance, pastoral and SEND staff to supporting pupils and their families to identify and overcome barriers to attendance. We also use such reports to share concerns with external agencies so that they may provide services for families.

5. Attendance Procedures

A good education enables young people to achieve and develop into mature and responsible citizens. The purpose of the Education (Welfare) Act 2000 is to encourage regular school attendance and participation in education and training for as long as possible. Under the law, every child must attend school regularly.

- 5.1. Parents and carers must:
 - 5.1.1. Contact school as soon as possible on the first day of absence, providing the school with reasons for absence (including its likely duration). Email attendance@thomastallis.org.uk or telephone 0208 856 0115
 - 5.1.2. Provide medical evidence to enable school to authorise the absence if due to ill health.
 - 5.1.3. Request a discussion or meeting with the relevant Head of Year to discuss extended absence due to illness or any other concerns affecting school attendance.

- 5.2. Authorising Absence
 - 5.2.1. Thomas Tallis will authorise a student's absence due to illness or medical appointment with valid medical evidence. This can be in the form of GP, Hospital, Medical, Dental Appointment letters or cards, or copies of prescriptions issued (provided they are in the child's name).
 - 5.2.2. In exceptional circumstances (excluding medical illnesses) the school may authorise a child's absence for a maximum of 10 days. To authorise an absence due to an emergency or unavoidable cause, parents or carers must speak or write to the relevant Head of Year, advise them of the issue and request the absence be authorised. The Head of Year will seek the Headteacher's permission for such authorization.
 - 5.2.3. Unauthorised Absence may be a result of
 - I. Parents or carers keeping children off school unnecessarily.
 - II. Parents or carers not communicating reasons for absence
 - III. Parents or carers not providing medical evidence to support ill health.
 - IV. Students arriving at school after the Registration period has ended.
 - V. Students truanting or otherwise absent without the parents' or carers' knowledge.
 - VI. Parents taking students on holidays or trips during term time.
 - VII. It is likely that unauthorised absence will be considered for referral to the LA Attendance Advisory Service if the student absence already causes concern.

6. Lateness

Poor punctuality is unacceptable. It prevents students from starting the day effectively, disrupts lessons and encourages absence in others. Poor punctuality is classed as irregular school attendance and is dealt with accordingly. This may mean that parents or carers could face the possibility legal action if the problem persists.

- i. The school day starts at 08:40 and we expect students to be in their tutor rooms or ready for Registration or assembly by 08:35.
- ii. Any student who arrives after the front gate is shut will be late and be asked to sign in at reception.
- iii. Any student who is marked late to school more than twice in a week will be held after school for Late detention from 15:15 – 15:45.
- iv. Lateness to a registration period or lesson is classed as when a student arrives after the majority of other students and the register has been saved/closed by the

- teacher.
- v. Lateness to lessons / registration will be sanctioned by the class teacher or form tutor.

7. Informing parents of absence, lateness, and illness

- 7.1. If a child is absent, the school will telephone or text parents or carers on the first and subsequent day of absence if the school has not already been notified.
- 7.2. If a student is unwell at school.
 - 7.2.1. The student should speak to the Tutor or Head of Year
 - 7.2.2. The student, with permission, may take time out of a lesson to see if their condition improves and attend first aid.
 - 7.2.3. The Head of Year or member of the Leadership Group may authorise the reception team to contact parents.
 - 7.2.4. Parents will be requested to give permission for students to leave school.
 - 7.2.5. Students must NOT contact parents and request collection or permission to leave.

8. Removing a student from the school roll

- 8.1. If parents or carers decide to transfer their child to another school, they should advise the relevant Head of Year as a matter of priority, providing all necessary details, including any new address (if relevant) and the school to which the child is transferring.
- 8.2. If the school does not receive this information and a child ceases to attend school, they become a 'Child Missing from Education (CME)'. Such a child will be reported to the Child Missing from Education Officer of the Local Authority, who will follow up the matter under safeguarding legislation.
- 8.3. If parents or carers take the decision to educate a child at home (Elective Home Education (EHE)), they must tell the school in writing.
- 8.4. Once this letter is received, the school will remove the student from the school roll and advise the Elective Home Education Officer of the Local Authority, who will contact parents or carers.
- 8.5. If a letter is not received, the student remains on the school roll and attendance procedures will carry on.

9. Persistent Absence

- 9.1. A student becomes a 'Persistent Absentee' when he or she misses 10% (26 sessions or 13 days) or more schooling across the school year for any reason. This includes authorised and unauthorised absences.
- 9.2. Persistently absent students are monitored daily, weekly, monthly, and termly by school, LA and external agency staff. Thomas Tallis follows the SOL attendance processes to monitor and track student attendance.

10. Tallis Attendance Support

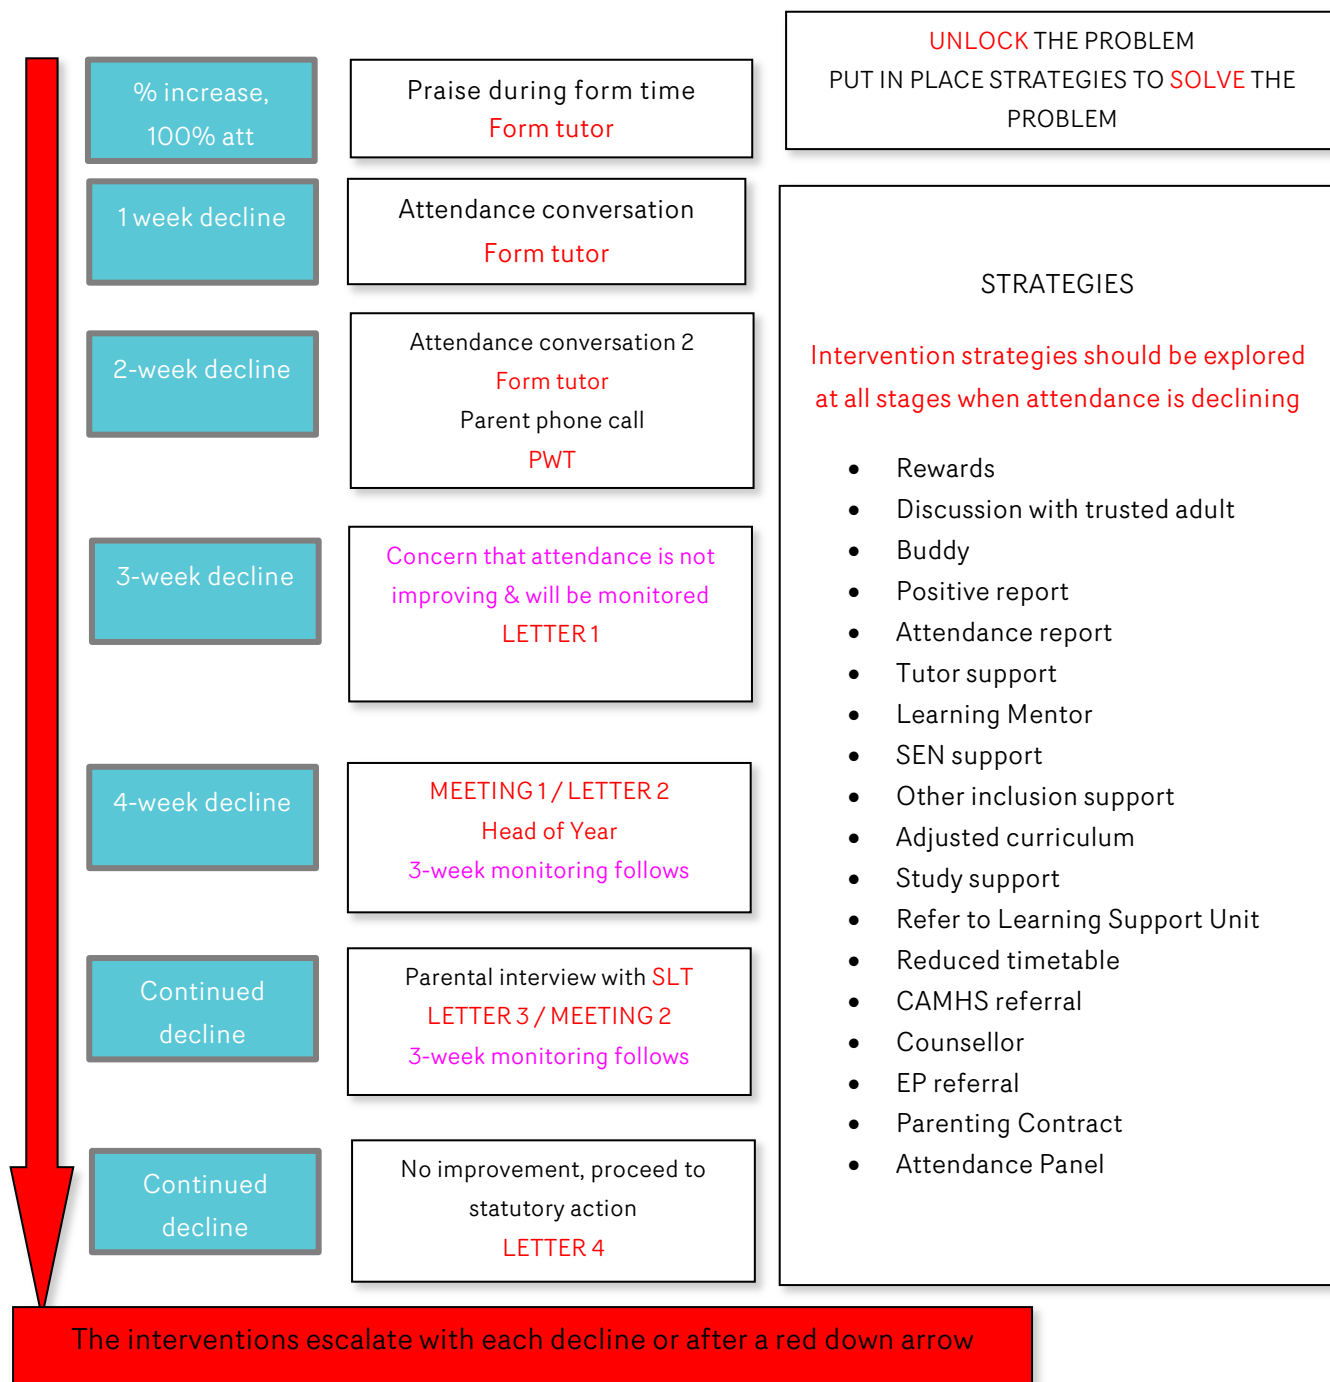

- 10.1. These procedures are in place to:

- i. Identify absence concerns early
 - ii. Understand the causes of absence
 - iii. Offer appropriate support to both students and parents
 - iv. Avoid unnecessary prosecution.
- 10.2. The stages of Tallis Attendance Support provide a framework for students, parents, and the school to collaborate in promoting excellent attendance for all our students.
- 10.3. We focus on early intervention and will communicate with students and their families according to the escalation procedures outlined in the Tallis Attendance Escalation document (see appendix).
- 10.4. Tallis Attendance Support includes support from the Local Authority Attendance Advisory Service. The Attendance Advisory Service is independent of the school and will give impartial advice or guidance on attendance matters. Their telephone number is 020 8921 8510. If necessary, the Attendance Advisory Service will take legal action to enforce school attendance in accordance with Anti-Social Behaviour Act 2003 and or Section 444 of the Education Act 1996.
- 10.5. We will follow CME Procedures if it is not possible to proceed with Tallis Attendance Support due to student absence and parent's failure to respond to contact.
- 10.6. At Thomas Tallis there is a strong attendance system in place to support students in their educational sector and in welfare. Parents are encouraged to seek assistance from the school if their child struggles to attend school for any reason, the school can help.
