

Cookie Policy

We ask that you read this cookie policy carefully as it contains important information on and our use of cookies on our website.

What are cookies?

Cookies are small data files that are placed on your computer or mobile device when you visit a website. Cookies are widely used by online service providers to help build a profile of users. They are also used to make websites work, or work more efficiently, as well as to provide information to the owners of the site. Some of this data will be aggregated or statistical, which means that we will not be able to identify you individually.

You can set your browser not to accept cookies and the websites below explain how to remove cookies from your browser. However, some of our website features may not function as a result.
