

Supporting Thomas Tallis School – Making a donation

Parents often ask if they can make a financial donation to help the school – and the answer is YES please!

Donations to the school fund from friends and parents help us to provide a wide variety of enrichment activities, school trips and educational visits, and provide rewards for excellent attendance and behaviour. We also use school fund donations for buying the extras which the school budget in these difficult times is not able to afford. This year we are collecting money for the school Library to refresh books and computers.

Your donations can make a big difference – £20 will buy a new textbook, £20 a month can help pay for an iPad. Whatever you can afford, all contributions are welcome.

You can make a one-off donation, or a regular monthly donation in the following ways:

- Via credit card or your PayPal account
- Via your MCAS account – go to School Fund Donations
- By direct bank transfer to
 - o Account Name: Thomas Tallis School Fund Account
 - o Bank: Lloyds Bank PLC
 - o Sort Code: 30-90-76
 - o Account No: 00015924

For further information visit our website home page and click on “DONATIONS”. Times are hard, so if you can’t donate, don’t worry. It’s all confidential!

Thank you for supporting our children’s education.
