# 'PICK YOUR OWN PICNIC'

Thank you to everyone who joined us on Sunday for 'Pick Your Own Picnic' where, lead by Mr Baker and following the ecologically conscious No Dig method, we planted fennel and beetroot, harvested onions, garlic and broad beans, tasted fresh kale (no supermarket woodiness here!) and marigolds, learnt about leaves that taste like watermelon, made bug hotels and relaxed in the shade of a 300yr old Oak Tree while enjoying a well earned picnic with family and friends!
